

# Sussex Plant Biology Symposium

Please join us for the annual  
meeting of plant biologists  
working in the New Haven area!

## List of speakers:

*Anthony Baniaga, Dept. of Ecology and Evolutionary Biology, Yale*  
*Maddy Case, Dept. of Ecology and Evolutionary Biology, Yale*  
*Anri Chomentowska, Dept. of Ecology and Evolutionary Biology, Yale*  
*Emma Corcoran, Dept. of Molecular, Cellular and Developmental Biology, Yale*  
*Ian Gilman, Dept. of Ecology and Evolutionary Biology, Yale*  
*Shuai Huang, Systems Biology Institute, Yale*  
*Wei Liu, Dept. of Molecular, Cellular and Developmental Biology, Yale*  
*Bob Marra, Connecticut Agricultural Experiment Station*  
*Andrew Muehleisen, Yale School of Forestry and Environmental Studies*  
*Simon Queenborough, Yale School of Forestry and Environmental Studies*  
*Adam Roddy, Yale School of Forestry and Environmental Studies*  
*Kirby Stafford, Connecticut Agricultural Experiment Station*  
*Blaire Steven, Connecticut Agricultural Experiment Station*  
*Alison Sweeney, Department of Physics, Yale*  
*Stephen Taerum, Connecticut Agricultural Experiment Station*  
*Quan Zeng, Connecticut Agricultural Experiment Station*  
*Fei Zhang, Dept. of Molecular, Cellular and Developmental Biology, Yale*  
*Nubia Zuverza-Mena, Connecticut Agricultural Experiment Station*

Friday, November 15th from 9:00 to 4:00  
Connecticut Agricultural Experiment Station (Jones Auditorium)  
123 Huntington Street, New Haven

Sponsored by the Plant Molecular Biology program at Yale University

Lunch will be provided. In addition, come join us afterward for  
Happy Hour and a visit of the plant facilities at the new Yale  
Science Building (YSB room 153, from 4:30 to 6:30).
