

MCDB Plant Biology Seminar

Ivy Lin

Jacob Lab

"Investigation of the role of GCN5 bromodomain in the regulation of lysine acetylation on histone H3"

Wenxin Yuan

Gendron Lab

"Exploring the role of energy state in controlling winter gene expression"

Shenqi Wang

Gendron Lab

"The Role of Temperature in Winter Gene Expression and Arabidopsis Growth"

Monday, February 3, 2020

1:00-2:00 PM

YSB 153
