

The Chemical Biology Seminar Series Presents:

"Chemically Probing Oxidative Crosstalk at the Host-Microbe Interface."

Speaker: Yekaterina Kovalyova
Hatzios Lab
Dept. of MCDB

"Structural Determination and Total Synthesis of Colibactin."

Speaker: Kevin Wernke
Herzon Lab
Dept. of Chemistry

Hosted by: Clorice Reinhardt

Seminar is mandatory for all current CBI Students

Chemistry Research Building 123

Friday

April 5, 2019

11:45 - Pizza and Soda

12:00 – Seminar
