

# Sussex Plant Biology Symposium

Please join us for the annual gathering of plant biologists working in the New Haven area!

## List of speakers:

*Robert Buchkowski, Yale School of Forestry and Environmental Studies*  
*Dr. Liza Comita, Yale School of Forestry and Environmental Studies*  
*Dr. Zhouqi Cui, Connecticut Agricultural Experiment Station*  
*Dr. Michael Donoghue, Dept. of Ecology and Evolutionary Biology, Yale*  
*Ann Feke, Dept. of Molecular, Cellular and Development Biology, Yale*  
*Dr. Martin Gent, Connecticut Agricultural Experiment Station*  
*Ian Gilman, Dept. of Ecology and Evolutionary Biology, Yale*  
*Dr. Karolina Heyduk, Dept. of Ecology and Evolutionary Biology, Yale*  
*Dr. Bob Marra, Connecticut Agricultural Experiment Station*  
*Morgan Moeglein, Dept. of Ecology and Evolutionary Biology, Yale*  
*Juan Penagos Zuluaga, Yale School of Forestry and Environmental Studies*  
*Dr. Simon Queenborough, Yale School of Forestry and Environmental Studies*  
*Dr. Adam Saffer, Dept. of Molecular, Cellular and Development Biology, Yale*  
*Dr. Teja Shidore, Connecticut Agricultural Experiment Station*  
*Dr. Jason White, Connecticut Agricultural Experiment Station*  
*Xing Wu, Dept. of Molecular, Cellular and Development Biology, Yale*  
*Dr. Quan Zeng, Connecticut Agricultural Experiment Station*

Friday, September 14th from 8:30 to 4:30

Connecticut Agricultural Experiment Station - Jones Auditorium  
123 Huntington Street, New Haven

Sponsored by the Plant Molecular Biology graduate program at Yale University

Lunch will be provided. In addition, a social event will be held afterward at Marsh Botanical Garden (from 4:30 to 6:30).
