Step 1: Review Dissertation Submission Policies

<http://www.yale.edu/printer/bulletin/htmlfiles/grad/policies-and-regulations.html>

Step 2: Review Dissertation Formatting Guide

<http://gsas.yale.edu/sites/default/files/formatdissertation.pdf>

Step 3: Confirm Deadline

Dissertations must be submitted to the Graduate School by the stated deadline in early October to be awarded a degree in December and in mid-March to be awarded a degree in May. Students are responsible for confirming specific deadlines stated in the Graduate School's academic calendar: <http://gsas.yale.edu/academic-events>.

Step 4: Notify Readers

At least two weeks in advance of the submission deadline, students must notify their departments of their intent to submit a dissertation so that the department may initiate the assignment of readers.

Step 5: Prepare Forms

These forms must accompany the dissertation manuscript in hard copy at the time of submission to the Registrar's Office:

- Dissertation Submission and Degree Petition Form (appended to this document)
- Survey of Earned Doctorates (<https://sed.norc.org/doctorate> - select a survey based on the date of your degree)
- AAUDE Doctoral Survey Proof of Submission (see step 6 for instructions)
- GSAS Exit Survey Proof of Submission (see step 6 for instructions)
- UMI Publication Agreement (see step 7 for instructions)

Step 6: Complete the AAUDE Doctoral Survey and the GSAS Exit Survey (both online)

- Complete the AAUDE Doctoral Survey at <http://bit.ly/1JaHSJX>, using your NetID and CAS password. After completing the survey and pressing "Submit," you will receive an email with subject "PhD Exit Survey Submitted." Print and include with your dissertation submission. If you do not receive the email, contact cynthia.langin@yale.edu.
- Complete the GSAS Exit Survey at <https://yale-csm.symplcity.com/students>. Your username is your Yale email. Print the confirmation to submit with your dissertation. You will have an opportunity to join the Yale Career Network, a Yale alumni networking database. If you have questions about this survey, contact careerstrategy@yale.edu.

Step 7: Complete UMI Publication Agreement

Access the UMI Publication Agreement online at www.proquest.com/products-services/dissertations/submitted-dissertation-proquest.html. Scroll to the bottom of the page and select ProQuest Dissertation Paper Submission Agreement. Review the entire agreement, but you are only required by GSAS to print and complete Section II-B (Author Options & Signature) and the "Dissertation Submission Form." The "Copyright Registration Form" is optional. Any forms you complete must accompany the dissertation manuscript in hard copy at the time of submission.

Based on the options you choose, your bursar account will be charged as follows. If you are no longer registered, payment may be made by check or money order payable to Yale University at the time of submission.
